## Anti-Bullying Charter

The staff, children, parents & governors of Beverley Minster School work together to maintain a school community in which bullying is unacceptable and is not tolerated.

We define bullying as deliberately hurtful behaviour, often repeated over a period of time. It can be physical, verbal or indirect: it can involve an inappropriate use of technology.

**STOP - Bullying is repeated - Several Times On Purpose**

**Tell someone....**

An adult in school, a friend, someone that you trust. Use the Worry Box in the Library or ask a friend to tell if you are too scared.

Bullying is taken seriously in our school and there are consequences for people who bully

Bullying will only stop if you  
**Start Telling Other People**

It is not your fault if you are being bullied

If you SEE something, SAY something

Think carefully about whether it really is bullying
