

Beverley Minster

C.E. Primary School

27th November 2024

Dear Parents and Carers

Christmas Service at The Minster

Our Christmas Service at The Minster will be held on 17th December at 5pm. We've made the time earlier than previous years in the hope we can get all of the children to come and share in our celebration.

We invite all parents and carers to come to the service and hope to see you there. In a similar way to our Harvest and Easter services, the children will sit in their classes with members of staff and parents will take the remaining seats to the side and rear of The Minster. It would be lovely to hear the whole community singing Christmas carols together so please join in if you can.

Each class will be taking part and showing a range of work off to parents, singing and/or reading.

Photographs and videos

Please do not take pictures or video footage of the children as a whole as there will be an opportunity to take a picture of your own child at the end. We also ask that if any images have been taken that accidentally include other children, that these are not shared on social media, which includes WhatsApp groups.

We hope that, by gathering as a school community, we can make it a special collective worship at this special time of year.

I hope it's not too early to say Merry Christmas to everyone and we look forward to seeing you there.

Kind regards

Mr Fletcher
