Dear Parents and Carers,

### **Year 2 Assembly and Parent Consultations**

Following the change in teacher for Year 2, we have had to make some changes to two events. The upcoming Year 2 assembly to parents is now moved from Monday 9<sup>th</sup> December to Monday 10<sup>th</sup> March at 3pm.

Also, following Mr Allen taking over the teaching of Year 2, I have been keen to ensure you have an opportunity to discuss your child's progress. There will be two sessions when parents can meet the class teacher and appointments will be organised through the same system as you will have previously used (via Teachers2Parents). If you would prefer to speak to Mr Allen after school for a short discussion, this can be arranged either directly with Mr Allen at handover or via the office.

The two sessions for parent appointments will be during the afternoons of:

Monday 16<sup>th</sup> December (with Mr Allen and Mr Fletcher)

Tuesday 17<sup>th</sup> December (with Mr Allen and Mrs Friston)

The appointments system will be set up within the next few days. Thank you for your patience and understanding with this process.

Kind regards

*L. Fletcher*
