7th November 2024

Dear Parents/Carers

“Growing Up” Workshop - Year 5 Girls

As part of the school’s Personal, Social, Health & Citizenship Education programme, our School Nurse will present a workshop on the subject of growing up and the aspects of personal development that affect girls at this age.

The session will take place in class on Tuesday 12th November 2024 when there will be plenty of opportunities for the girls to ask questions and raise any concerns that they might have.

If you do not wish for your daughter to take part in this session, please email the school office on office@beverleyminsterprimary.co.uk by Saturday 9th November, marking the email as **Year 5 Growing up Workshop opt out**, so that we can make appropriate arrangements.

If you have any specific queries for the school nurse, please contact the school office.

Yours sincerely

L Fletcher
